

# SCARLET COURIERS

## INFORMATION FOR APPLICANTS

**S**carlet are one of the largest independent couriers in the country, and we deliver for some of the biggest and best known companies in the area. You could be joining our 75+ strong team, working your own allocated daily delivery run. Our company genuinely works as a team, and we'll give you 100% support for you to become one of the best-trained and most capable multi-drop drivers in the country.

### The work

Multi-drop delivery work is the customer facing side of our overnight delivery service. Overnight parcels from all over the UK route through our Midlands hub and are sorted for delivery to customers in our area. Scarlet's overnight service offers 4 timed delivery options, so your route will be planned to ensure that deliveries are made at the times booked. Driving one of our modern, signwritten Transit vans, you'll be allocated your own delivery run so you will get to know both your routes and customers. As well as the timed deliveries, you'll be collecting overnight parcels during the day to go by trunker to the hub.

During the day you'll keep in touch by mobile phone with Scarlet control for updates on collections which have been booked on your delivery run – and we work closely together to maximise the number of collections and deliveries you can make in a day.

### The hours

Multi-drop drivers start their day at 7am when the overnight parcels have arrived by the hub trunker and have been sorted into their routes for delivery. Your finish time will depend on the route you work, and how quickly you complete the schedule – and you'll find that by working the same route each day you can maximise your efficiency as you get familiar with it.

### The pay

Your earnings are based on the number of deliveries you make during the course of the week. Each collection and drop you

make is paid, plus we pay your travel to the area you're covering. You'll be PAYE, working fully-employed NOT self-employed, and you will benefit from paid holidays and Bank Holidays.

Once you've worked with us a few weeks to gain some experience (and if you're prepared to work hard and consistently), on average you can expect to earn about £400 per week. There is no upper limit on what you can earn – it's all down to your commitment and ability.

### What does Scarlet need from me?

- A full UK driving licence held for at least 2 years, with no more than 6 points and no bans in the last 2 years.
- Aged 24 or over
- A basic working knowledge of the local area.

If you meet the above requirements, return the application overleaf to our Slough office. Please contact us if there are any points you want to discuss in more detail before applying.
